

## A CLASSIC TRANSFORMATION

Careful attention to details and quality craftsmanship  
combine to transform a neighborhood eyesore  
into a lovely garden retreat.

## RESIDENTIAL REMODELING

New siding, farmers porch addition, patio and fenced in garden area, combine to create a charming new façade for a ranch style home.

## **BEFORE & AFTER**

**New front façade with covered porch, in the Craftsman style, reinvents 60's tract home.**

## TEAR DOWN REMODEL

Steel moment frame construction allows for open great room in this whole house remodel.

## FORMAL ENTRY

Greek Revival styling and  
closed soffit construction  
help formalize entry.

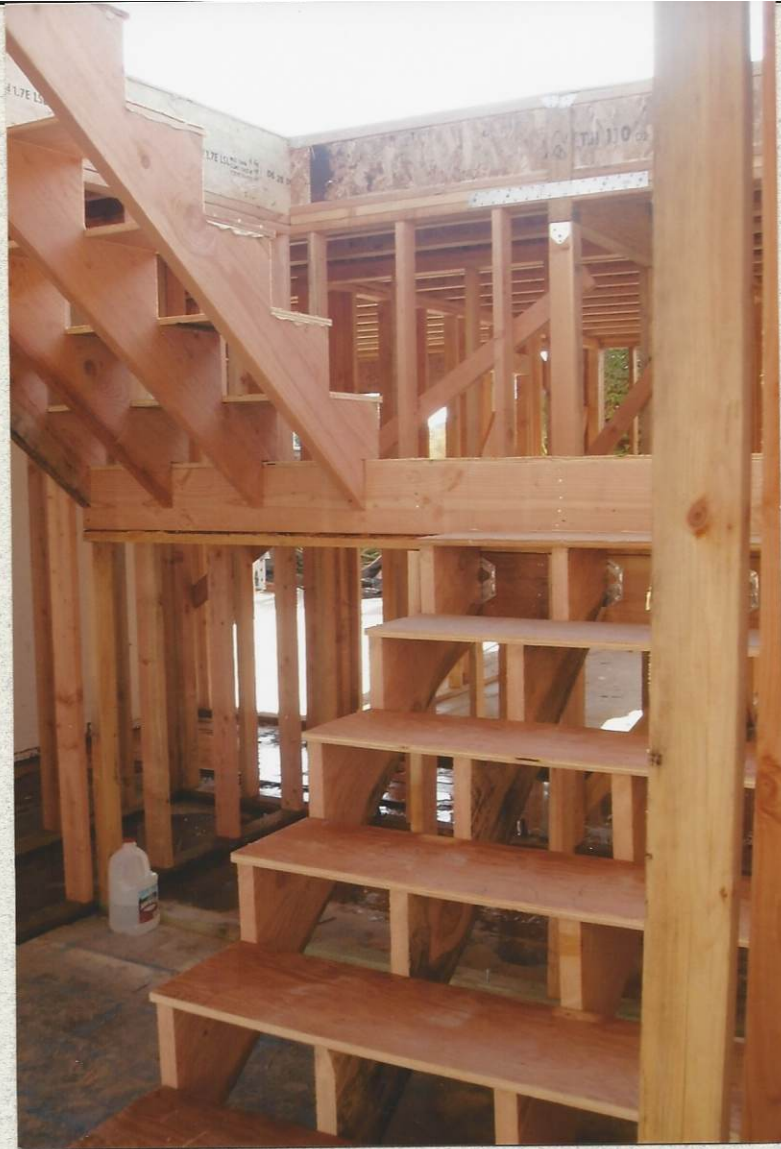

## DETAILS MAKE THE DIFFERENCE

Step down baseboard detail helps transition molding from one area to another.

## CUSTOM INTERIORS

Dual closets flank window seat  
with filing cabinet storage below.

Three-piece ornate crown molding detail.

## GREAT ROOM

Load bearing wall was removed and replaced by  
a post & beam assembly,  
which is then wrapped in decorative trim.

Professional workmanship transforms a standard tract room into an extraordinary living space.

Wall systems conceal stereo & video components  
in a highly attractive manner.

Baroque mantle completes this fireplace addition.

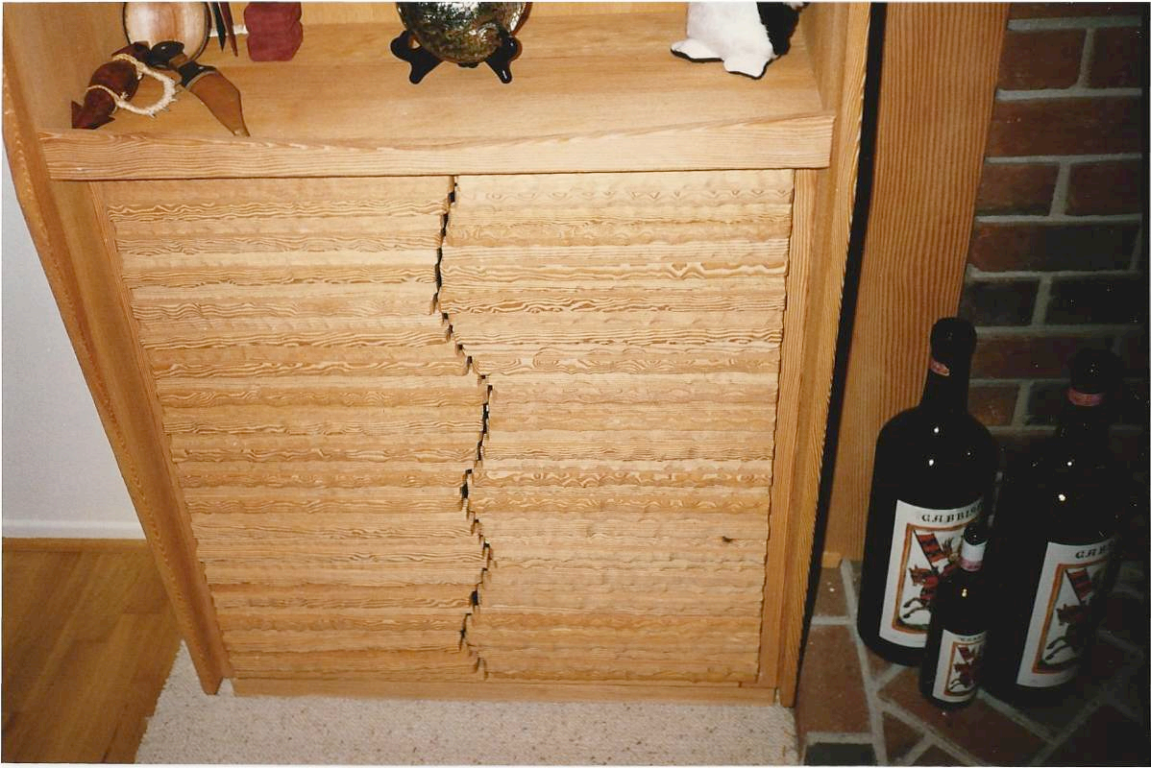

BEFORE & AFTER

Kitchen Remodle

Existing low ceiling with hanging cabinets removed.  
New vaulted ceiling with false beam work opened up the kitchen.

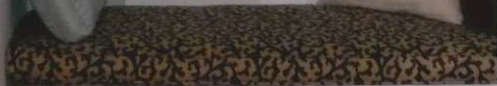

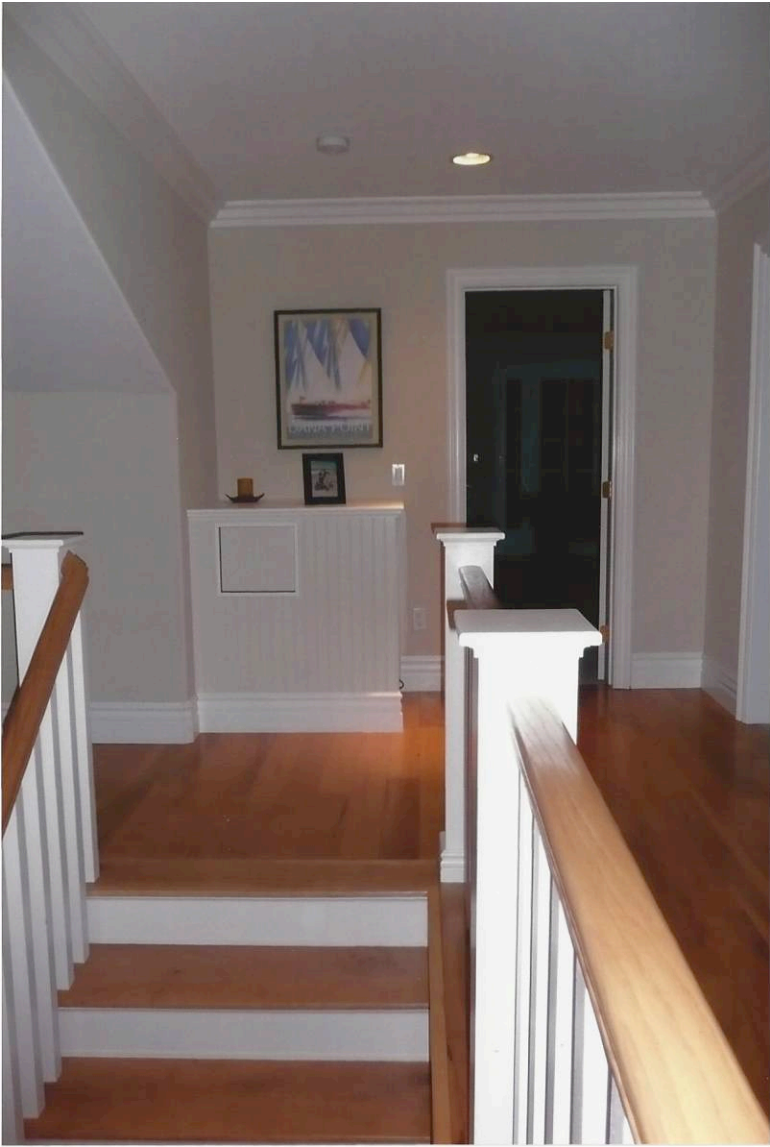

Turned wood half spindles, beadboard, & furniture base, creates an interesting vanity cabinet design.

Oak cabinetry, granite countertops, & tumbled travertine floor combine to create an attractive master bath.

## BATH REMODLE

Tumbled travertine tile & glass block combine to create interesting and functional master bath.

## HISTORICAL RESTORATION

Condemned property restored to current building code specifications.

1800's Era details are authentically reproduced.
